Families may choose to purchase Tiffin Bay Montessori branded items through the centre; however, this is entirely optional.

Comparable clothing items may be sourced independently, provided they align with the general colour and style expectations of the centre.

Throughout the year, we offer a selection of curated gatherings and events that reflect our values of respect, collaboration, and joyful learning. These occasions provide opportunities for families to engage with the Montessori environment, connect with educators, and participate in their child's journey in a purposeful and authentic way.

Our annual events may include:

- **Autumn Open House & Family Gathering (October)**
- **Parent-Teacher Conferences (November – evening appointments)**
- **Mother's Day Tea (May)**
- **Father's Day Gathering (June)**
- **Children's Olympic Games (June)**
- **End-of-Year Graduation Celebration (June)**

In addition, we may thoughtfully incorporate elements of the local community into our curriculum, such as seasonal activities including skating or, based on availability and opportunities within the community.

## TIFFIN BAY MONTESSORI

These experiences are intended to enrich the children's learning and connection to their environment and are offered outside of the summer program.

From time to time, participation in community-based or off-site experiences may be offered. In such cases, families will be provided with advance notice and any required consent forms. By enrolling, families acknowledge that these opportunities may be part of the program and agree to provide written authorization for their child's participation where applicable. All activities will be planned and supervised in accordance with applicable safety standards and regulatory requirements.

Please note that certain optional community-based or enrichment activities may involve an additional cost. Any such fees will be communicated in advance, and participation will always remain optional.

All events and community-based experiences are designed to honour each stage of development, build community, and celebrate the growth of every child. Participation is warmly encouraged, though all events remain optional and may be adapted from year to year to best serve our school community.

### Immunization and Health Requirements Policy

In accordance with the requirements of the Simcoe Muskoka District Health Unit, all children attending Tiffin Bay Montessori must be appropriately immunized for their age prior to enrollment and continued attendance in the program.

Required immunizations include protection against measles, mumps, rubella, diphtheria, pertussis, tetanus, polio, and Haemophilus influenzae type B, unless a valid medical exemption is provided or a completed affidavit is submitted based on conscience or religious belief, in accordance with Ontario regulations.

Parents/guardians are responsible for ensuring that their child's immunization record is up to date and for providing a copy of the immunization record to the centre upon enrollment. Families must also submit the required **Childcare Facility Immunization and Tuberculosis Assessment Form** and notify Public Health directly of any immunization updates, as healthcare providers do not automatically report updates.

The Simcoe Muskoka District Health Unit reviews immunization records annually and may contact families if additional immunizations are required. While not mandatory for attendance, additional vaccines such as varicella (chickenpox), meningococcal, and pneumococcal are strongly recommended.

### Tuberculosis (TB) Screening

A tuberculosis screening test may be required if a child has lived or traveled outside of Canada, or within a First Nation, Inuit, or Métis community in Canada, for a period of three (3) months or longer within the past five (5) years. Where applicable, written documentation of TB test results (including dates and measurements) must be provided to the centre prior to attendance.

---

### Submission Timeline

All required immunization records, forms, and supporting documentation must be submitted in full prior to the child's first day of attendance.

Children will not be permitted to attend the program until all required documentation has been received and verified by the centre.

---

### Holding a Space Prior to Start Date

Tiffin Bay Montessori may hold a child care space for a defined period of time prior to the child's start date to allow parents/guardians time to obtain and submit all required documentation.

During this time, the child will not be permitted to attend the program until all required documentation has been received and verified.

Failure to provide required documentation within the agreed-upon timeframe may result in the forfeiture of the reserved space.
